

To the Mekor Community,

We are all deeply saddened by the horrific violence that has been committed over the last few weeks in Uvalde, Texas, and in Buffalo. Our thoughts and prayers go out to the victims and their families, and to everyone in their communities. May God protect us and give our beloved nation the wisdom and resolve to prevent these kinds of tragic events from happening again, and fulfill the words of Yishayahu, "Death will be ceased forever, and God will wipe the tears from all faces."

--Rabbi Eliezer Hirsch
